### HOW TO GET THERE

Manila to Tacloban City, Leyte

Two airlines, Philippine Airlines and Cebu Pacific operate regularly from Manila to Tacloban City, the capital of Leyte. Buses ply the Manila - Maharlika Highway route to Eastern Visayas. Available land transportation vehicles are cars, vans, jeepsneys, tricycles and buses.

Tacloban City to Baybay, Leyte

A chartered airconditioned van will take you over the mountains to the east side of the island from Tacloban City - about 98 km - on well-paved roads. There are many opportunities to take very good photo shots of scenic natural views along the way.
